US EPA RECORDS CENTER REGION 5

422288

To: Dr. T. T. Kuhlmann, Chief, Environmental Health  
From: James E. Froom, Commissioner of Sewage Disposal  
Subject: Demolition Dump, 2009 Ketcham

This Division approves of the operation, subject to the provisions of the letters of September 20th and October 14th, of the Division of Engineering and Construction, relative to the storm drainage requirements.

Please note also that there seems evidence of waste oil dumping at this site.
